

Accessibility Plan

	Physical Environment	Curriculum	Information
Short Term 2018	Identify an appropriate space to provide a good quality hygiene suite.	To enhance provision in reading for those with a specific difficulty.	Ensure all parents have received learning passport and are invited to different forums to discuss their child's needs.
Medium Term 2019	Audit provision for accessible toilets and complete proposed actions.	Provide CPD opportunities for classroom based staff on different SEND need types including disabilities.	
Long Term 2020	Audit provision for physically disabled students in practical lessons and agree on future actions.	To develop use of ICT to allow students to access the curriculum and show true levels of ability.
