You must bring a full change of PE kit to every PE lesson even if you have a note and are not taking part. If you do not have your PE kit then you can borrow some from school. Failure to do so will mean you receive a consequence.

We would like to stress that students will not be asked to perform any tasks which they are not physically capable. We're keen to involve students through different roles such as officials or team managers. Students who are non-doers will be planned for accordingly.

The Academy Uniform All Year Groups

The Importance of Uniform

Parents tell us they welcome having clear knowledge of what their children are expected to wear for school. In light of this, we have produced these clear guidelines for you. The uniform at Goole Academy will ensure they look professional and that they are ready to learn.

We thank you for your continued support in enabling us to maintain the high standards expected from Goole Academy students.
