The Physical Education (PE) and Health Curriculum is designed to promote a lifelong love of being physically active and healthy. Our high-quality physical education and health curriculum provides opportunities for all pupils to become physically confident in a way which supports their health and fitness. With our extensive range of extra-curricular sports all students have the chance to compete in sport and to excel in competitive sport.

Yr 7 and 8 Students will have at least 2 opportunities of 6 week block to take part in sports below in core PE.

Football, Rugby, Netball, Table Tennis, Athletics, Fitness

Yr 7 and 8 Students will have at least 1 opportunities of 6 week block to take part in sports below in core PE.

Badminton, Basketball, Cricket, Rounders, Handball, Dodgeball, Tennis, Trampoline, Dance, Orienteering/OAA

Yr 9, 10 and 11 Students select which sport they prefer to take part in for that 6 week block from the options below. They will also undertake Sports Leaders Training in Yr 9.

Currently the most popular sports students select to take part in are:

Football, Netball, Rugby, Table Tennis, Trampolining, Dodgeball, Rounders and Athletics
