Our Ref: JH/LSM

Dear Parents/Carers

Re: Hot Weather Forecast

As you know we are expecting some extreme weather conditions on Monday and Tuesday next week. At the time of writing this letter, the forecast is expected to exceed 35 degrees. Since that is the case, unless there is a radical change in forecast, for these two days we have decided to relax our uniform rules. Students can take one of the three following options:

Option 1

Attend school wearing their normal uniform. This includes wearing their usual black polishable shoes.

Option 2

Attend school wearing normal uniform with no blazer or tie. There will be no requirement to have these on your person. If this option is chosen, children must wear their usual black polishable shoes.

Option 3

Attend school wearing Delta PE kit. PE kit must be a Blue Delta polo shirt and shorts only and not any form of leggings/vests. If this option is chosen trainers may be worn.

A reminder that Wednesday is a charity non-uniform day (£1 donations), and we close at 12.00pm.

If you have any questions about any of the above, please do not hesitate to contact us here at school.

Yours sincerely

Mr Julian Harrison
Associate Executive Principal
