

# MOVING UP TO... GOOLE ACADEMY

A HELPFUL GUIDE FOR STUDENTS AND PARENTS

## MESSAGE FROM EXECUTIVE PRINCIPAL

Goole Academy is an 11-16 school which is proud to be part of Delta Academies Trust.

Since becoming a Delta school, results have improved significantly. Student numbers have grown rapidly, and this year will see another year of increased popularity and parental preferences well in excess of our pupil admission number.

We have brilliant teachers, fantastic buildings and resources that ensure your child receives the very best standard of education.

On behalf of the entire staff, students, parents/carers, I would like to welcome you to our 'Moving Up Guide'.

### A big decision...

I know that choosing the right secondary school for your child can be one of the most difficult decisions you make. I hope this booklet and transition package will give you a flavour of what we offer and that you will be eager for your child to start at our academy.

### We believe...

At Goole we believe that every child has a right to an outstanding education. We are determined to make this a reality. Here at Goole Academy, the entire school community is committed to providing a wonderful educational experience which enables all students to achieve their potential.

### Our offer...

We deliver exciting and engaging lessons within a safe and supportive environment. We offer high-quality care, guidance and support, a flexible curriculum along with an extensive range of activities beyond the classroom.

I look forward to sharing more of the academy's successes and meeting you in September!

Yours faithfully,

**Julian Harrison**  
Executive Principal
